

## Dress Code

In order to provide the highest learning standards, all dress codes must be met after the **FIRST** week of class in case of class cancellation due to low enrollment. However, if you know the class is a “go” (just ask) you must be prepared for the first week of classes in order to participate and not observe class only. It is advisable for each student to fully understand the dress code expectations and be prepared as they are enforced. Let the office know if a student is awaiting a special order. Students taking multiple subjects carry all of their shoes in a dance bag. **SUPPLIES: AUSTIN’S SPORTSWEAR IN DOWNTOWN CHAMPAIGN 12 E. MAIN (217) 359-2231.** [Please note: Austin’s is the only local dance supply vendor; CRS does not profit from referring clients. Please don’t ask to be fitted there and then buy online! Let’s respect Austin’s as a small business.]
