

## The EXCELLENCE PROGRAM at CRS

Inspired students wanting dance training at a challenging level, while building many transferable life skills, join the Excellence Program at the Christine Rich Studio.

Not only do you receive a larger discount each semester but the cross-training in multiple dance style and the student progresses much faster than if they only came to take say, ballet.

Excellence Program Students cross-train learning technique with ballet, tap, jazz, acrobatics, Dancer's Conditioning, and Dance Tech.

This program consistently takes beginners to advanced dance levels and dramatically increases their academic excellence. We've had numerous Valedictorians and straight A students despite taking dance classes M-F.

### Excellence Program Membership Perks:

**EP Excellence Program**

**PP Primary Program**

**Pre-Professional: Excellence Program + Weekly Private Lessons:** For students who are fully committed to becoming the best dancer they can possibly be while learning important life skills that they can take with them into college and beyond. YAGP prep or compete by invitation. Private lessons with Christine Rich who "gets excellence" from the student! Click [here](#) to see an example.

**Excellence Program Description:** Students wanting to study dance at a rigorous level while building transferable life skills join the Excellence Program. Students cross-train in this program in subjects such as Ballet, Dancer's Conditioning, Jazz, Tap, Acrobatics, and Dance Tech. Our successful alumni took this program year-round and were often Valedictorian. Req'd for dance competitions. May take same-subject lower level classes for free.

**Primary Program:** Students wishing to study dance at a serious level will be similar to the EP but they may choose either tap or acrobatics. This program provides a solid and challenging foundation in the art of dance. Sizeable discount offered at early enrollment.

## STUDENT SUCCESSES WITHIN THE EXCELLENCE PROGRAM...

*Gauri Shankar – one of our many Valedictorians! Gauri started dance at CRS at age two and not only won national ballet competitions, but she was number one in her graduating class and is now a medical student.*

Read more [here](#).

### ***Dance Training Like None Other***

With national recognition for the ballet and contemporary (jazz/ballet) training as well as other dance subjects, the Christine Rich Studio has seen our students succeed at the elite international Youth America Grand Prix competition--the feeder competition for all major ballet companies--where Christine's students have competed in the finals in classical and contemporary and placed in the Top 12 in the YAGP Finals... an extraordinary accomplishment. They also have taken the top spots at Universal Ballet Competition!

EP membership, at your assigned level, is a requirement for competition dance participation. Weekly privates also.

Ashley Thopiah started at CRS at age 2 and graduated in ballet at prestigious Butler University as a star in the department dancing the lead roles three years straight. She is now a professional dancer at Oakland Ballet.

Andrew Cribbett, started at CRS at age 6 and is now a professional dancer touring year round! He won a \$50K scholarship with his work with Christine Rich. Read more [here](#).

### **Take a Placement Ballet Class to Determine Your Level**

If you are a transfer student with ballet experience from age 9 or older, you may request a Placement Class by contacting the Studio Office.

If you are a transfer student with ballet experience from age 8 or younger, you will not take a placement class because you will enroll in one of our beginner levels.

Meena Jain (seen on the left) found academic and dance success in the [Excellence Program](#) at Christine Rich Studio. And she was a Valedictorian at Central H.S. and first in her class. She is now on track to be a doctor.

Read more about Meena's achievements from the CRS Excellence Program membership [here](#).

Sara and Maya Kesan graduated with 4.0 GPA, perfect A's throughout high school and were both Valedictorians! They danced at CRS over 20 hours a week and danced numerous times on professional stages.

## The PRIMARY PROGRAM at CRS

Students wishing to study dance at a more serious level but not as rigorous as the Excellence Program.

Primary students may choose between tap or acrobatics. See chart above.
