

FALL 2020

Class Schedule

Time to move after remote school – Unsurpassed training in ballet, pointe, acrobatics, tap, jazz/contemporary and more.

- Our goal is for you to experience joy and achievement beyond your wildest dreams through your dance training at the Christine Rich Studio Dance Academy. The CRS acclaimed year-round dance program for 34 years, offers classes for the novice to advanced.
- Tuition is listed by the semester and [Installment check payments](#) are available.
- **Would you like a large discount off your semester tuition?** See pg. 2 below for discounts.

Due to the global pandemic, every precaution will be followed at the studio for the safety of our students and staff including higher levels of cleaning, doors propped open inside, water bottles allowed into classrooms, social distancing benches for homework in-between a student's class, social distancing in class with limited number of students per classroom, ill-feeling students to remain home, and parents/siblings are not allowed in the building. To control access to the building and keep the lobby closed, students will enter through the back (east) door to remove their shoes there and proceed to their classroom. Please arrive only five minutes before class. Parent Observation week is discontinued this semester. Students must be picked up on time after class and within 5 minutes. Zoom requests must be sent 24 hours in advance to the CRS email. We have the largest classrooms in Illinois (over 2,000 sq ft per classroom) so that students may socially distance. All summer, our students stayed healthy and made strides from leaps and turns to flips!
