Due to the global pandemic, every precaution will be followed at the studio for the safety of our students and staff including higher levels of cleaning, doors propped open inside, water bottles allowed into classrooms, limited number of students per classroom, ill-feeling students required to remain home, and parents/siblings/public are not allowed in the building. To control access to the building and keep the lobby closed, students will enter through the back (east) door to remove their shoes there and proceed to their classroom. Please arrive only five minutes before class. Parent Observation week is discontinued this semester. Students must be picked up on time after class and within 5 minutes. Zoom requests must be sent 24 hours in advance to the CRS email. We have the largest classrooms in Illinois (over 2,000 sq ft per classroom) so that students may socially distance. Our annual May Memorial weekend Recital is unlikely, due to the current health crisis, therefore no recital or picture day information has been released.
