The Russian Ballet Intensive Focus + Jazz/Tap/Acro/Hip Hop, and more!

At the Christine Rich Studio we offer a rare intensive for our community this summer. Our ballet classes are the Vaganova (Russian) technique and the pure form (not Americanized). Our ballet teacher has taught many professional dancers and even ballet teachers in our area. The contemporary division is headed by master teachers—you won't find any high school kids as your child's teacher. Many gymnasts take our acrobatics program.

The Special Classes seen in the schedule below in the ballet division offer a unique opportunity for students to “up their ballet game” through the Russian Ballet Intensive focus. There are certain skills that the big ballet schools drill down on and we're going to do just that this summer in this Special Class. The experience will give students access to that ballet prowess that gives them a ballet edge. It's something you see at YAGP (a premier international ballet competition) in certain medalists. Ready to compete at YAGP.org? Let's get you started this summer. Contact us about private lessons.

In the summer, Make-Up Classes are offered.

A no-costume **Summer Dance Concert** is 4PM Sat, July 27. The **Student Choreography Project** is a must-do!
