

The Christine Rich Studio offers world-class training this summer. Our ballet is taught by the champion-producing master ballet teachers of Faubourg Theatre. Their promise is to transform the dancer in six weeks. These teachers are extraordinary and the best in their field. If you want superior training, this is it. *But we will limit how many students we accept for all of our classes (jazz, tap, acrobatics, hip hop, etc.) with the goal of 10 or fewer students per class. Students of the Summer have priority in the fall.*

During the shelter-in-place order, CRS classes are virtual—an excellent option. We’ve successfully used Zoom since March. You’ll be emailed when we can meet at the studio and updates on protocols and the roll out schedule for classes (they won’t be all at once as students need to ease into public reentry). At the end of Part 1, we will contact you about a short Part 2 session prior to fall IF our “spring” recital can’t be debuted the end of July.

For virtual classes, please have a 4’ by 5’ area, the Zoom app on a device, your name at log in, follow the Dress Code and arrive on time. If tap shoes will scratch your floor, wear socks or gym shoes. You may dance on low pile carpet in socks too or buy a smooth finish square of plywood for tap dancing. Having a tumbling mat for acrobatics is ideal. Ballet slippers or jazz shoes can be ordered online at Discount Dance until Austin’s in Champaign re-opens.

Tuition listed below is for Part 1 summer semester. Installment check plans are available. **Discounts listed on page 2 here.**
